

END OF SUMMER BBQ

New Heights Home and Community Support Program Invites YOU to our Summer BBQ. A chance to come together and celebrate before we head back into a new school year!

Join us!!

We would love to have a day of fun, celebrating another school year beginning and another year for the Home and Community Support Program. We invite all of our families involved in the program along with any family member.

We will have food and lots of outdoor activities and games (weather permitting). We will have an indoor backup plan if the weather is not cooperating with us. There will be some

water activities, so please come prepared with water clothes for your children.

Please RSVP to lindie.vanderspuy@newheightscalgary.com by August 15 so we can provide adequate food.
