School Tuition Commitment

School Program Tuition Fees On average, the cost of education for a special needs student is about \$40,000 per year. Funding comes from a combination of grants from Alberta Education, tuition fees, and fundraising. Tuition costs cover school fees and school supplies. Tuition costs are out-of-pocket costs to parents and are exclusive of any grants we receive from Alberta Education. <ul style="list-style-type: none"> ■ The tuition fees paid by parents for the 2025-2026 school year are \$14,000.00 ■ If accepted, you will be required to pay this amount ■ Sign below to confirm that you are aware of this tuition fee

Income Tax Credit for Tuition Tuition paid by parents may be claimed as medical tax credits if certain conditions are met. The letter must clearly state that the student has a diagnosis of Autism or other medical condition that requires the specialized services provided at New Heights School and must be dated prior to enrolment at New Heights. A letter from New Heights confirming enrolment and services provided, along with tuition tax receipts will be provided to you, upon request, prior to February each year.
